345th 2. AEC 153/5 - Appointment of AEC Representative for JTF-3

AEC Meeting
12-21-49

The Commission discussed the question of appointment of an AEC representative for Joint Task Force-3 (AEC 153/5). In response to a question from Mr. Dean, General McCormack said that the arrangement proposed in AEC 153/5 was workable from the points of view of both Dr. Graves and General Quesada. After further discussion, the Commission:

a. AGREED that, at a time mutually agreeable to the AEC and the Department of Defense, the Commission would designate the Commander, Joint Task Force-3, (General Quesada), as its over-all representative; and

b. NOTED that, pending an ultimate designation of General Quesada, AEC interests in the 1951 tests will continue to be handled under currently delegated authority by the Director of Military Application and the Manager, Santa Fe Operations.
