5. AEC 153/8 - Armed Forces Participation in Test Operations

Under consideration was a report (AEC 153/8) on the above subject. Mr. Pike commented that the financial arrangements with the Department of Defense described in AEC 153/8 appeared uncertain in some respects and asked when firm agreement could be expected. General McCormack said that the proposed letter to the Joint Chiefs of Staff from the Commission asked for assurances on this point, and the staff was confident that they would be received. After further discussion, the Commission:

APPROVED the recommendation of AEC 153/8.
