2. Downgrading Military Information Concerning Joint Task Force Seven

Mr. Lilienthal reported that a memorandum had been received from the Commanding General, Joint Task Force Seven, informing

the Commission of the proposed downgrading from "secret" to "restricted" of certain military information in connection with the proving grounds, and requesting Commission concurrence in downgrading certain other information concerning military activities to "unclassified". (AEC Doc. 47-183). After discussion, the Commission:

AUTHORIZED the Chairman to dispatch a letter of concurrence in the proposed downgrading.
