Lt. General L. H. Brereton, Chairman  
Military Liaison Committee  
P. O. Box 1814  
Washington, D. C.

Dear General Brereton:

This is in acknowledgment of Admiral Parsons' letter of June 10, 1947, requesting clearance for the following members of the President's Evaluation Commission to receive all reports of Operation Crossroads prepared by the Commander, Joint Task Force One, and by the Joint Crossroads Committee:

Senator Carl A. Hatch  
Senator Leverett Saltonstall  
Congressman Walter G. Andrews  
Congressman Chet Helifield  
Mr. Fred Searls, Jr.  
Dr. Karl T. Compton  
Mr. W. S. Newell  
Mr. Bradley Dewey  
Dr. Edward U. Condon

The Commission is agreeable to granting the clearance requested in view of the status of these individuals and the nature of their assignment, and upon the assumption that their personnel security clearance status is satisfactory to you; except that in the case of Dr. E. U. Condon, the Commission has recently received a report containing some derogatory information, which it is suggested that you may wish to review prior to granting further access to Dr. Condon. This report is being made available to Major Harris of your organization today.

Sincerely yours,
