9. DOD Invitation for AEC Representatives to Hear Briefing on CASTLE Program

General Fields said that the DOD had offered to arrange for Dr. Graves and General Clarkson to brief the Commissioners and other AEC representatives on present plans for Operation CASTLE. A separate briefing was being arranged for the Joint Chiefs of Staff.

The Commissioners indicated that since they had recently discussed the test program with Dr. Graves and General Clarkson it was not necessary to have a separate briefing. However, it might be desirable for some of the Commissioners or other AEC representatives to attend the briefing which will be given to the Joint Chiefs. General Fields was requested to make the necessary arrangements.
