MEMORANDUM for Colonel C. F. Ball, Secretary Joint AEC-DOD Study Group

Subject: MILITARY PARTICIPATION IN THE AEC PROGRAM

Reference your December k, 1951 letter to the Chairman, Atomic Energy Commission, requesting a delineation of those areas of the non-nuclear portion of the weapons progress in which the AEC contemplates asking for assistance from the Department of Defense.

The Director of the Division of Military Application has furnished guidance on this subject to the ANC members of your study group. I hope you will find that this provides the necessary basis on which to proceed.
