MEMORANDUM For the Chairman, Military Liaison Committee

Subject: COMMANDER, JOINT TASK FORCE THREE - REPORT ON OPERATION GREENHOUSE

By memorandum dated August 1, 1951, the Commander, Joint Task Force Three furnished the Commission his report on completion of Operation GREENHOUSE. One of his recommendations was that, subject to comments of the Atomic Energy Commission, Joint Task Force Three be inactivated by the Joint Chiefs of Staff as of September 30, 1951.

We have informed the Commander, Joint Task Force Three, that we have no objection to the recommended inactivation date. During the temporary existence of two task forces connected with overseas tests, we will consider Joint Task Force 132 as the current Task Force, and will deal with Major General P. W. Clarkson, USA, as the Commander thereof.

We would appreciate confirmation of our understanding in this matter.
