752nd AEC Meeting 9-17-52

6. Problems Arising from Disclosures Concerning Operation IVY

Mr. Salisbury reported on what had been done to limit the effect of recent disclosures concerning Operation IVY. (See minutes for Meeting 751) Except for certain Congressional committees, all groups possessing information about the operation have been informed that, despite these disclosures, the Commission's information policy on this subject remains unchanged. The Commissioners considered various courses of action to ensure that no further disclosures will occur.
