90th AEC 5. Timing of Operation CASTLE
Meeting
2-17-52

General Fields elaborated on the comments made by

Dr. Bradbury at his meeting with the Commissioners (see Meeting No. 776) and in his letter of November 28, 1952 (see AEC 597/2). He felt that this problem should be explored in general terms with the MLC in order to put them on notice as a postponement of CASTLE will involve administrative problems for the Task Force.
