MEMORANDUM

To: Lt. General John E. Hill, USA
Thru: Captain J. S. Russell, Deputy Director
Division of Military Application

From: E. R. Trapnell, Associate Director
Public and Technical Information Service

Subject: Public Release of Films OPERATION SANDSTONE

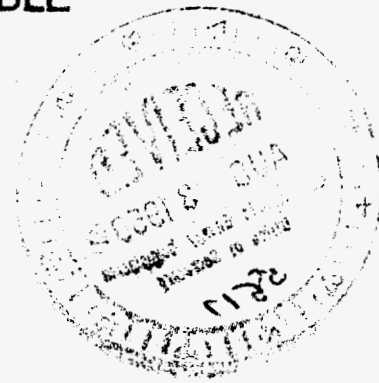

Attached is a copy of a letter from the Chairman of the Atomic Energy Commission to the President forwarded to the White House on July 28, 1950.

This is in accordance with your conversations of last week with Captain Russell. The Commission was advised of the informal concurrence of the former Commander, Joint Task Force Seven in this matter.
