Office Memorandum • UNITED STATES GOVERNMENT

TO : Tom Jones

DATE: July 19, 1949

FROM : Edward R. Trapnell, Associate Director
Public and Technical Information Service

SUBJECT: ENIWETOK FILM

SYMBOL: PTI:ERT

Tojo, I will have to leave it to you to put a last paragraph as to when the Commission can see this. The people with the film are ready to show at any time. It can be shown in room 213 since no special equipment is involved.

This replaces the version (bygone) earlier draft since Chairman has questioned ~~the~~ need for seeing the film.
