PREUSS/lw

Gentlemen:

The Atomic Energy Commission was particularly fortunate to have your organization participate in both the planning, and the execution of the 1948 atomic weapon proof test program.

The competence and efficiency of your personnel resulted in an outstanding contribution to the Commission's weapon development and test program.

Please convey to all the members of your organization the Commission's appreciation.

We look forward to the continuation of your work with us in research and development programs.

Sincerely yours,

UNITED STATES ATOMIC ENERGY COMMISSION
