This office has received a request, copy attached hereto, from the Military Liaison Committee, for additional copies of the Classification Guide for Operation Sandstone for distribution as indicated on the attachment.

Your office has advised that they have the stencil of the Commission's formal action on this subject dated March 9, 1948.

It is requested that six additional copies of this document, together with the note by the "Secretary" and the letter to the Commander, Joint Task Force Seven, be prepared and sent direct to the Executive Secretary of the Military Liaison Committee, as being the most expeditious manner in which to handle this request.

It will be appreciated if a copy of the letter forwarding these copies be sent to this office.
