

...Russell, and ... .. is in keeping with the highest traditions of the service the American people have come to expect from members of the Armed Forces. Captain Russell, of course, by the manner in which he has directed the test operations, has demonstrated qualities of leadership and sound judgment which in no small measure are responsible for the success of the tests. He is

Brig. Gen. James McCormack, Jr.  
May 17, 1948

to be commended particularly for his handling of the relationships  
between the military and civilian components of the Task Force.  
His performance of this duty has been superior in every way.

Sincerely yours,

UNITED STATES ATOMIC ENERGY COMMISSION

David E. Lillenthal
